

The **Casa S. Miguel**, located in the parish of St. Cosme, part of the municipality of Gondomar, Portugal, very near the city of Oporto, is a rural tourism unit, part of a classified architectonic site, formed by contiguous houses or separated by narrow lanes, which dates back to the 16th or 17th century, mainly restored since the 18th century.

In the whole the Casa de S. Miguel, has 7 rooms equipped with central heating, TV and access to the internet, in a pleasant environment, distributed by the main house, the "Mother-House", and other contiguous buildings, all restored, and around the big patio.
